SOLIDARITY PROJECT DESCRIPTION SHEET

Prepare a proposal (~500-1000 words) that could be realised by your group, within a period from 1 day to 1 week in another community of the project partners and that is able to benefit a social and/or cultural group of people* in this community.

*Group of people: can be anything; you need to define it, according to your project idea.

Before you begin, it's best to have the answers to the following:

Who: Who will be completing the work of your project? Who will you be serving?	What: What will be the tasks you will accomplish in the course of your project?	When: What is the time frame of your project?
Where: Where will you be completing your project?	Why: Why is this project necessary?	How: How will the project be carried out?
